1. **Needle stick and sharps injury prevention**: Provide a refresher to employees handling sharps by advising them to review, print their name and date/sign SafetyNet#62.

2. **Cal/OSHA roofing operations**: From 2012 to 2014 Cal/OSHA conducted 126 post-injury investigations of roofing operations and found over 75% of employers were in violation of Cal/OSHA safety fall protection regulations. Contact EH&S (rawachter@ucdavis.edu or 754-4605) for details of fall protection requirements.

3. **Report an Unsafe Condition**: You can report an unsafe issue that is not getting addressed internally within your department at this Safety Services link.

4. **Online Ergonomic Assessments**: Employees may self-assess their posture and PC work station positioning by completing an online ergonomic assessment.

5. **Lockout/Tagout written procedures**: EH&S can demonstrate the UCOP-licensed Simple But Necessary software for developing written LOTO procedures for individual equipment (8 CCR 3314 (g)). Contact EH&S (rawachter@ucdavis.edu or 754-4605).

6. **Heat Illness Prevention**: Cal/OSHA has published the awaited guidance document for heat regulation changes expected to take effect on May 1, 2015. EH&S is currently updating PPM 290-52, the Heat Illness Prevention Procedures Manual and Heat Illness Prevention Training PowerPoint. Contact EH&S (sdball@ucdavis.edu or 754-5876) for more information.

7. **Forklift & Aerial Lift Train-the-Trainer (TTT)**: EH&S has funding for forklift and aerial lift train-the-trainer training for employees assigned by their department to train forklift drivers or aerial lift operators. The training will be scheduled in the next 6-8 weeks. Please contact rawachter@ucadvis.edu (754-4605) with your department’s trainer names (limit 1-2 per department).

8. **Pallet Jack training**: Ensure that all individuals using a pallet jack have documented training on the safe operation of the jack. Training guidelines can generally be found in the owner’s manual, but if assistance is need contact rawachter@ucadvis.edu (754-4605).

**Questions**: Contact EH&S at 752-1493 or **“Who do I call”**.
